

Escape Room FAQs

FAQs for the live escape room event

Qs

Answer

How do I access the live event?

You will then be emailed a single Zoom link ID you can use for your class. Each teacher will need to register.

How do I access the escape room?

Click on the safe/ lock to start the challenge. Click on the items in the room to reveal the task. You will need to enter the final password to open the safe// lock.

What do I do if the links are not working?

Make sure that you have cleared the test page with your ICT admin. If this has been done and they are still not working use our help desk.

What if we get stuck?
How do we get clues?

There are clues on each page. Clue 1 gives a 2-minute penalty to your finish time. Clue 2 gives a 5 minute penalty.

Ready?

Use our checklist to make sure you are all set for the event

Safeguarding

There will be no video or microphone option for the event other than the host. Your contact details will be saved in our archive until the winner has been announced and will not be shared or saved unless requested.
